

CHURCH WEBSITES

FORESTLAKE CHURCH. The Forest Lake Church maintains several websites to touch the world with messages of hope. On the church's main website, www.forestlakechurch.org, Sabbath services can be viewed live each week. In addition, church services, as well as special classes, church business meetings and programs are archived for viewing at any time. Other events, such as funerals and weddings, are streamed and archived when requested and as staff are available.

Other information on the daily life of the Forest Lake Church, the various ministries of the church, upcoming events and contact information about the church can also be found on the church website. Members are able to make tithe and offering contributions, as well, via the church website.
