

Keeping with the Women's Ministry Retreat theme, "In My Sister's Shoes," the Women's Ministry Executive Committee of Florida Conference is partnering with the charitable organization Sole Hope. The mission of this organization is to provide shoes for the exposed feet of African children to prevent the infestation of the jigger insect. This insect burrows itself into the children's feet to lay its eggs which results in feet that are covered with sores from broken down tissue and also opens them up to various diseases. (For more information, visit the website [solehope.org](http://solehope.org).) Here are two ways we can help protect their feet:

1. **DONATE** – Donate unwanted/unwearable denim jeans (skirts, jumpers, pants, etc.) in the receptacle located in either lobby marked "Sole Hope."
2. **JOIN** – Join us on **Sabbath, January 28, 2017 in the Upper Youth Center at Forest Lake Church from 1:00 p.m. – 3:00 p.m.** We will prepare the patterns needed for the women to cut the material to make the shoes. We will have lunch before we work, so bring a dish to share. (The fabric will be cut by the women attending the Women's Ministry Retreat in February 2017.)

Don't miss out on the blessing! If you have not already booked your room for the Women's Ministry Retreat that will be held at Camp Kulaqua in February 2017 (Part 2 of this event), please do so quickly. The information is on the message boards in the lobby. This is an opportunity you will not want to miss!
