

GIVING TO SUPPORT THE CHURCH

Your offerings are vital to the existence of the church. They are the only means of support for your church. Without your giving, the church doors cannot remain open.

Your offerings to **church budget** pay for the utilities and maintenance of the church. Without your offerings, the air conditioning, the lights, the sound system, the computers, the lawn mowing, the roof repair and the many other things that make your worship experience at Forest Lake a pleasant and uplifting experience would not be possible.

Your **church budget** offerings also support Forest Lake Education Center, a school of excellence where children receive a quality, Christian education.

Even more important, your **church budget** offerings are the sole support of the Forest Lake Church ministries that teach children, youth, young adults, adults, seniors, and most important, the community about the love of God. Without your financial support, the church cannot do God's work.

Forest Lake is blessed to have a number of pastors on staff. Your **tithe offerings** pay their salaries and support the worldwide work of the church.

Everyone's offerings, no matter how small or large, are vital to the operation of the church. Everyone is therefore encouraged to give **systematically** to support the church, with both **church budget** and **tithe** offerings.

Giving is easy. Simply indicate Church Budget or Tithe on an offering **envelope** found in the back of each church pew, insert your check and place it in the offering plate at church. Or even easier, go online to the church website, click on **Online Giving** and set up your regular contributions.

Share in the joy and blessings of giving.
